

Coloring Page Suncatcher

Steps

Step 1

Print coloring page from Crayola.com.

Step 2

With pencil, trace outline of mason jar lid.

Step 3

Using colored pencils (or crayons), color coloring page within traced circle. Cut out circle.

Step 4

Pour small amount of vegetable oil into a bowl. Lightly dip cotton ball into oil and dab onto coloring page. Dry 5 minutes.

Step 5

Line inner lid rim with glue and lay in coloring page (face down). Dry 15 minutes.

Step 6

Add dab of glue to top of lid. Wrap twine around lid twice. Dry 1–2 hours.

Step 7

Hang in window and let the light shine through!
