And I’m going to buy
A hat for my head
And I’ll tell you why.”
Why little butterfly why?
“Because my head is cold!”
And it waved good-bye.
Bye bye butterfly, bye

“Let’s Go to Sleep,” The Little Caterpillars Said

“Let’s go to sleep,” the little caterpillars said
As they tucked themselves into their little beds.
They will awaken by and by,
And each one will be a lovely butterfly!

Ladybug, Ladybug, red and black,
I see circles on your back!
Ladybug, Ladybug, fly up high,
Fly back safely from the sky.

Ladybug, Ladybug, fly so low,
Fly around, land on my toe!

Ladybug Picnic – Lyrics by Donald Hadley, Also Performed by Elizabeth Mitchell

One, two, three, Four, five, six,
Seven, eight, nine, Ten, eleven, twelve
Ladybugs came
To the ladybugs' picnic.
One, two, three Four, five, six
Seven, eight, nine Ten, eleven, twelve,
And they all played games
At the ladybugs' picnic.
They had twelve sacks, so they ran sack races.

They fell on their backs, and they fell on their faces

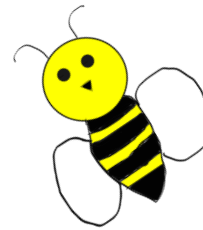

The ladybugs twelve at the ladybugs' picnic.
They played jump rope, but the rope - it broke
So they just sat around telling knock-knock jokes,
The ladybugs twelve at the ladybugs' picnic
One, two, three Four, five, six
Seven, eight, nine Ten, eleven, twelve,
And they all had fun
At the ladybugs' picnic

The Itsy-Bitsy Spider

The itsy-bitsy spider went up the water spout.
Down came the rain and washed the spider out.
Out came the sun and dried up all the rain,
And the itsy-bitsy spider went up the spout again!

Closing Rhyme: I Have a Nose

On my face, I have a nose,
And way down here, I have ten toes.
I have two eyes that I can blink,
I have a head to help me think.
I have a chin and very near,
Near my chin I have two ears.
Here are my arms to hold up high,
And here are my hands to wave good-bye!
